***"To seek God is the most glorious and most gratifying of all activities for an entity, human or spirit."*** The Guide, Lecture #204

We invite you to join us each month for a Sunday Service in New York City. We will come together in the spirit of seeking God through the Guide's teachings. Each service will be led by a Pathwork Helper and will include a teaching from a lecture, time for meditation, and a candle lighting ceremony.

This can be a sacred time for Pathworkers to connect with each other and to share their journeys with friends and family that may be new to the Path.

There is no charge for this program.
